

Inova Genetic Therapeutic Clinic

The Inova Genetic Therapeutic Clinic is a dedicated clinic for patients of all ages diagnosed with a genetic disorder eligible for treatment with a genetic therapeutic.

The clinic will provide a team-based approach to facilitate diagnosis and establish an individualized management plan.

Inova has adult and pediatric infusion centers as well as radiology support for administration of genetic therapeutics.

At your visits, you will meet with a Geneticist and a Genetic Counselor

The Inova Genetic Therapeutic Clinic strives to provide a comprehensive approach to delivering excellent care for our patients with genetic diagnoses.
